

# COVID-19/CORONAVIRUS STATEMENT FROM THE STAFF AT RIEDLBAUER'S RESORT

We are happy to announce that we are pretty much operating business as usual. We have breakfast included with your stay, restaurant is open and pools are open. We are cleaning and disinfecting more frequently touched items according to CDC guidelines. We are wearing masks to serve guests. Guests are advised to practice social distancing. We are requiring masks in the main house. When you are seated you can remove the mask. We only have a couple bar stools around the bars to encourage guests to use the tables, which are 6 feet apart from each other.

**Guest policy:** Gatherings of more than 10 people are not permitted. Social distancing is still the name of the game. Stay 6 feet apart from anyone who isn't a family member. Wash your hands frequently. Masks are recommended when social distancing is not possible. We appreciate your understanding and look forward to that time when we can all be together!

Your hosts,  
Peter and Anita
